C. B. Stevens Arrested.

Charged With Importing Diseased Bull from Canada and Attempting to Bribe a Federal Officer.—Hired Man Arrested.

The work of District Attorney Dunnett before the federal jury in United States District court is being rapidly revealed by the arrests made under indictments secured at the February term of court recently closed in Burlington. The latest arrest comes near enough home to cause surprise and keen interest.

Yesterday Deputy Marshal Salloway arrested Charles B. Stevens of North Danville and his hired man, Robert W. Howard, and the two men were taken before U. S. Commissioner Harry Blodgett and placed under bail for their appearance at the federal court in Burlington on April 12. Messrs. Stevens and Howard are charged with importing from Canada an Ayrshire bull infected with tuberculosis.

The bull owned by Charles B. Stevens, is named Robin Hood. He bought this bull in Canada, and when he desired to bring him in, the bull was tested, and showed a reaction, indicating the presence of tuberculosis germs. Admission was therefore denied to the bull. Later on Mr. Howard, acting for Mr. Stevens, presented a bull for admission, showing his papers, which told his pedigree, and showed that he had successfully passed the tuberculin test. This bull answered to the same general description as the bull Robin Hood. It was afterwards found that the second bull was in reality Robin Hood, passing under the papers of another bull, answering to the same general description.

Mr. Stevens was also arrested on a more serious charge. It is alleged that he offered the federal inspector at Newport \$25 to allow him to bring in the diseased bull. Mr. Stevens is a well known breeder of cattle and this arrest will cause great surprise among his friends.

At the hearing before Commissioner Blodgett, Stevens was placed under \$1,000 bail on the first charge and \$2,000 on the charge of attempted bribery. Howard's bail was fixed at \$500. The bail was furnished in each case and the men will appear before the United States court at Burlington, April 12.

Some of the other indictments are shown in the following important cases which have been brought since the adjournment of court.

Used Mails to Defraud.

One of the parties indicted at the recent term of U. S. court was D. Gooley, of Coaticook, Que., who came to Norton's Mills to get mail for Emile Goulet, of Coaticook, who went under aliases. Dr. E. Gooley, Louis Guyon and A. Renaud, Goulet operated a fraud scheme in Canada until he was excluded from using mails there and then he opened headquarters at Norton's Mills. He was a large business receiving about 100 letters and many money orders and registered letters daily. He sent the boy Gooley into Vermont for his mail and the boy was arrested by Deputy Marshal Miles of Newport. He was placed in jail at Newport and Thursday an attorney from Canada came and furnished bail for his release.

A Test Liquor Case.

United States Marshal Horace W. Bailey visited Montpelier and Barre Friday and seized a large quantity of liquor the seizure being one of the largest ever made in Vermont. The liquor was seized on the ground that it was not properly labeled as required by a United States law passed in 1909. The marshal has rented a storehouse for storing the liquors seized. The Montpelier cases will be heard in United States Court, Rutland, the forenoon of April 6, and the Barre cases at a later date. These are considered as test cases under the new law.

States Attorney Busy.

Had Several Prosecutions About the Country the Past Week.

States Attorney R. W. Simonds reports February as the record month for criminal business since he has held office. Henry Wilmerston of Hardwick was taken before Justice Worcester, Wednesday, on the charge of selling and was sentenced to six months in the county jail. He will be transferred to the house of correction at Rutland.

The states attorney was called to South Ryegate, Saturday, to look after two cases. James Milne of that place was arrested for intoxication and before Judge Meader was sentenced to 10 days in the county jail. He was brought here in a serious nervous condition, due to his alcoholic excesses. The other South Ryegate respondent was arrested for selling and also for intoxication. On the latter charge he was fined \$10.04, and was placed under \$500 bonds, for his appearance at the June term of county court to answer to the charge of illegal selling. Bail was furnished.

Chief of Police Hall and Officers Marden and Finlay searched the premises of Thomas Morrison on Marion avenue, Saturday. Nothing of a contraband nature was found but Marden was taken on a warrant charging him with selling and furnishing liquor without authority. He was placed under \$500 bonds and hearing was postponed to April 7, on account of a death in the family of Justice Worcester.

Miss Linnie Maxham, alias Helen Heath was brought here from Waitsfield by Sheriff Finch Saturday night to answer to a charge of petit larceny. Miss Maxham was formerly employed at the Avenue House and while there appropriated a gold watch belonging to Miss Mattie Eggleston, a fellow employee. The watch was recovered at the time. At the hearing Saturday she paid fine and costs amounting to \$26.94 and was allowed to depart.

Women's March Meeting.

St. Johnsbury Ladies who Visited Europe Last Summer Tell the Club of Sights They Saw.

The March meeting of the St. Johnsbury Woman's Club was held at Pythian hall Monday evening. A delightful program was given by the travel committee of which Mrs. Corwin F. Palmer is chairman. Mrs. Mackinnon introduced Mrs. Palmer and she presented the speakers who were the St. Johnsbury people who visited Europe last summer. The first was Miss Amy D. Drake and with her the audience, which was a very large one, visited the castles of Sterling, Edinburgh, Warwick, Kenilworth, Heidelberg and Chillon. It was a most interesting journey as depicted by Miss Drake and the stereoscopic views of the castles visited were beautiful.

Miss Edith M. Nichols read a paper on the "Twelve Great Paintings of the World and their Painters." Of these twelve paintings which have been selected by some of those in authority as greatest, ten were seen by Mr. Palmer's party. As the pictures were thrown on the screen they were described and the reasons for considering them great explained by Miss Nichols. The twelve pictures are: The Descent from the Cross, The Night Watch, The Last Supper, The Assumption of the Virgin, The Last Communion of St. Jerome, The Transfiguration, Aurora, The Immaculate Conception, Holy Night and the Sistine Madonna.

Miss Katherine Bingham conducted a pilgrimage to some of the most famous Cathedrals of Europe, when paper was beautifully illustrated and her audience was given an unusual opportunity to contrast and compare the different cathedrals. Those described were Glasgow, Chester, St. Paul's at London, Canterbury, Antwerp, Cologne, Milan, Venice, Florence, Rome, Pisa and Paris. On account of the length of the program Supt. C. F. Palmer asked to be excused from his talk on "Some Literary Shrieks." The stereoscopic view was in charge of A. S. Haskins. Before the program began the Academy Mandolin Club played very pleasingly and responded to the encore which the applause demanded.

Fleetwood Friday Night.

Will Discuss State Issues Before the People at the Colonial—Seats are Free.

As announced two weeks ago F. G. Fleetwood of Morrisville, a candidate for the governorship, will address the people of St. Johnsbury and vicinity at the Colonial Friday evening at eight o'clock. Every seat in the house is free and ladies or gentlemen will be welcome. State Senator E. T. Fairbanks will preside and a short speech will be made by Mr. Fleetwood before Mr. Fleetwood is introduced. It is expected Mr. Fleetwood will tell the people frankly reasons why he should receive the nomination. This is certainly novel and with a man of Mr. Fleetwood's ability it is expected will be very interesting.

Swiss Brown Contest.

Three Contestants Over the 10,000 Mark and Only 561 Votes Apart.—Cook First, McCuaig Second, and Grant Third.

The great contest for the Swiss Brown heifer has less than a month to go now and the condition at the close of counting at three o'clock last Monday afternoon indicates a pretty and most exciting finish. Three contestants have passed the 10,000 mark and are separated by only 561 votes. These three men are separated now as follows:—Cook has 146 more votes than McCuaig and McCuaig has 415 more votes than Grant. The greatest gain of the week was made by McCuaig who gained 2,816 votes, Cook gained 2,261 and Grant 361. The other large gain of the week was by Lang, who gained 740.

The standing this week was affected somewhat by the failure of some to get their votes in before three o'clock Monday afternoon. Please remember this in the future, also that no votes on jobs are counted until the jobs have been paid for. That is the rule for all and no matter how good one's credit is cash is the only thing that makes votes count.

The standing of the contestants follows:

George W. Cook, West Danville,	10,818
D. McCuaig, St. J. Four Corners,	10,672
Rev. E. E. Grant, East St. J.,	10,257
C. W. Lang, East Barnet,	5,235
Daniel P. Coveny, Danville,	3,592
E. Vann Annis, Passumpsic,	3,400
Mrs. H. L. Walter, West Burke,	2,964
Mrs. F. K. Trelen, Lyndon,	1,717
A. R. Wheeler, Lower Waterford,	1,230
Mrs. Ella White, Concord,	836
Harvey S. Knight, Newbury,	321
C. J. Randall, East Barnet,	253
Mrs. John Folsom, East Concord,	100

Changes in the Carrier Service.

John H. Moore resigned last Friday, his position as one of the carriers and will devote his entire time hereafter to music and piano tuning. Mr. Moore has been in the government service 20 years and during this time has faithfully served the people of Paddock Village and Summerville as the mounted carrier. At an informal gathering of the post office force Saturday night Mr. Moore was presented with a pipe by Walter E. Kellogg, the assistant postmaster, on behalf of the entire force, and responded very feelingly to this token of friendship.

Henry A. Holder succeeds to Mr. Moore's route and Myron E. Smith is

promoted to carrier and is now taking Mr. Holder's old route. An examination will soon be held for substitute carrier to fill the vacancy caused by the promotion in the force.
